

Trezzano s/N, 01/01/2024

Subject: DECLARATION OF CONFORMITY

EUROMAKEUP Srl **DECLARES** that the quality of the items supplied to the customer complies with our Sales Specifications in force on the date hereof.

EUROMAKEUP Srl **GUARANTEES** the functionality of the items supplied.

Item list

EUROMAKEUP Srl **REMINDS** that it is the Customer's responsibility to verify chemical compatibility and tightness with specific products.

Furthermore, EUROMAKEUP Srl **DECLARES:**

- That the packaging for the cosmetic and pharmaceutical sector supplied fully complies with the provisions of current legislation :
 - Decree Order of 21/03/73 and subsequent amendments and additions: "Hygienic regulation of packaging, containers, utensils intended to come into contact with foodstuffs or with substances for personal use".
- That, for your its own items, the following have not been intentionally added during production and packaging :
 - PFAS – Per- and polyfluoroalkyl substances
 - PFOS – Perfluorooctanesulfonic acid substances
 - MOAH/MOSH – Mineral Oil Hydrocarbons
 - Sensitizing substances
 - Heavy metals
 - GMOs – Genetically Modified Organisms
 - SVHC substances – Substances of very high concern
 - Endocrine disruptors
 - Bisphenols
 - Phthalates
 - Nanomaterials
 - Vinyl chloride and styrene
 - PBT et vPvB – Persistent bioaccumulative and toxic or Very Persistend and Very-bioaccumulative substances
 - CMR substances – Carcinogenic, mutagenic and reprotoxic substances
 - Nitrosamines, nitrosating agents, nitrites
 - Substances listed in ANNEX II/III of Reg. 1223/2009
 - Latex
 - Resorcinol
 - Diisodecyl phthalate

The above-mentioned substance(s) as such have not been intentionally added to the item(s) and their absence has not been verified by testing. Therefore, the previous statement does not exclude the presence of negligible traces of, among others, impurities in the components supplied by external parties and used in the production of these components.

EUROMAKEUP Srl **REMINDS** that:

- The packaging components can be, for the most part, separated to allow separate waste collection and that the main operation is the mechanical recovery of the material.
- The information on environmental labeling is indicated in the order confirmations as well as in the relevant product data sheets
- The materials are recyclable.

Please contact the relevant sales office to receive the data sheets of the items sold.

Sincerely,

Euromakeup Srl
